| <p>Brisbane Backyard Bees: Producer - Paul Wood.</p>  | <p>Brisbane Backyard Bees' main focus is on creating healthy hives and bees in backyards to get more natural honey into kitchens and add to the yields of our suburban fruit and vegetable gardens.</p> <p>Paul applies the 'slow' concept to beekeeping, using natural 'top-bar' hives and encouraging people to force a relationship with their bees, moving slowly through the hive with minimal interference and manipulation as opposed to the crash and bash of more commercial methods.</p> <p>No treatments are used in Paul's bee hives, instead, he observes natural, healthy practices, focusing on bee health rather than maximizing production.</p> | <p>Brisbane Backyard Bees: Paul Wood</p> <p>65 Royal Parade<br/>Alderley QLD 4051<br/>Phone: 0414333069<br/><a href="mailto:paul@brisbanebackyardbees.com.au">paul@brisbanebackyardbees.com.au</a><br/>Facebook: @BisbaneBackyardBees<br/><a href="http://www.brisbanebackyardbees.com.au">www.brisbanebackyardbees.com.au</a></p> | <p>Brisbane Backyard Bees sells, installs and trains buyers in the management of hand crafted, top bar bee hives. They run seminars and workshops and they also sell honey.</p> <p>Call Paul on 0414 333 069 if you would like to purchase a top bar bee hive for your backyard.</p> |
