| <p>Millen Farm – organic market garden and farm produce – Arran Heideman - Farmer</p>  | <p>Arran, the first Farmer at Millen Farm, has worked for two years to create healthy, rich, nutrient-dense soil, alive with microbes and worms, all of which are the hidden workforce in production of nutrient-dense crops. He is also committed to promoting diversity by re-vegetating land as habitats for beneficial fauna eg native species to attract beneficial insects and butterflies.</p> <p>Arran uses sustainable practices, materials and resources to conserve soil, water, energy and finances. Swales control water flow, and chickens help turn the compost for the farm.</p> <p>His produce is organic, seasonal and grown using a polyculture system with natural pest control methods and natural fertilizer and composts.</p> | <p>Millen Farm (Farmer): Arran Heideman</p> <p>2204 Mt Samson Road Samford, Queensland QLD 4520 Phone: 0435 294 280 Email: arran@powerfulowlpermaculture.com Facebook: @MillenFarm www.millenfarm.org</p> | <p>Arran grows organic vegetables and fruits that suit Brisbane’s climatic conditions. This farm fresh produce is available to purchase:</p> <p>Every Wednesday at Millen Farm from 2pm – 5pm.</p> <p>Monthly at the Samford Market (2nd Saturday of each month), the Dayboro Market (1st Sunday of the month) and the Lifestyle Market (last Saturday of each month).</p> |
